ACN only provides electronic communication services in areas covered by a 3G or a 4G network. We do not support 1G and/or 2G devices.
- 3. The JOi Mobile Service is a SIM-only service with mobile plans that suit Your needs. You can choose from a range of subscriptions with different allowances for voice, SMS and data usage (“**Mobile Offers**”) or data only allowances (“**Tablet Offers**”). Secure Your PIN, Passwords and SIM card

13. The SIM card remains the property of ACN, even if obtained from an ACN IBO. All rights, including copyrights, patents and trademarks related to the JOi Mobile Service, the SIM card and underlying

content belong to and are reserved by ACN or ACN Business Partners. You are being allowed to use the SIM card by Us solely to enable access to the JOi Mobile Service, in accordance with these [Standard Mobile Terms and Conditions](#). We may recall the SIM(s) at any time for upgrades, modifications, misuse or when Your Agreement ends. You may also notify ACN that Your SIM card has been lost or stolen on the Customer Portal. This notification will result in immediate blockage of the SIM card and suspension of the JOi Mobile Service. This Agreement remains in force during suspension of the JOi Mobile Service and You remain responsible for payment of any monthly recurring charges. In the case of theft, You must provide the filing of the complaint to the police or relevant authorities in order to receive a new SIM card at no additional cost. You are responsible for all usage of Your JOi Mobile Service until You notify Customer Service. ACN cannot be held responsible for the consequences of a reported theft (including locking the phone or handset reported stolen), even if You did report the theft.

Your Obligations to ACN

18. You confirm that: (1) You are at least 18 years of age; (2) You have the authority and full contractual capacity to subscribe to the JOi Mobile Service; and (3) all information provided by You to ACN in connection with this Agreement is accurate and complete. In these instances, ACN and ACN Business Partners are not responsible for any such damage or usage problems.
20. You may only use the JOi Mobile Service as laid out in this Agreement and for Your own personal use. You may not resell or use the JOi Mobile Service on a commercial basis, including for teleshops, operator activities, telemarketing organizations, prepaid card providers, and call center operations.
21. You shall not limit, hinder or interfere with the use of the JOi Mobile Service by other users or co-users of the infrastructure on which the JOi Mobile Service is based. If Your actions, whether intentional or negligent, cause an interruption in Your JOi Mobile Service or disrupt other users or co-users service, ACN may reduce the speed of or impose other limitations on Your JOi Mobile Service or suspend Your JOi Mobile Service.
22. You must not use the JOi Mobile Service, the SIM card or telephone number or allow anyone else to use the JOi Mobile Service, the SIM card or telephone number: (1) for illegal or improper uses; (2) for fraudulent, criminal or other illegal activity; (3) in a manner contrary to the public order or morality or in a manner inciting any violent activity, including racial hatred; (4) in any way which breaches another person's rights, including copyright or other intellectual property rights; (5) to engage in hacking, spamming, e-bombing, phishing or similar activities; (6) to circulate any computer viruses, Trojan horses or other programs designed to harm the functioning of the hardware or software of ACN or third parties; (7) to copy, store, modify, publish or distribute the JOi Mobile Service or content (including ringtones), except where We give You express permission; (8) to download, send or upload content of an excessive size, quantity or frequency; (9) in any way which breaches any security or other safeguards or in any other way which harms or interferes with Our network, the networks or systems of others or of the JOi Mobile Service; (10) to falsify or delete any author attributions, legal or other proper notices or proprietary designation or labels of the origin or source of software or other content contained in a file that You upload; and (11) to use or provide to others any directory or details about customers.
23. You must not show or send content from the Age Restricted Services to anyone under 18. You must also ensure that You have deactivated any access to Age Restricted Services if You let anyone under 18 use Your handset.
24. In the event of a suspected violation of Clauses 20-24 of this Agreement, We may suspend or terminate Your JOi Mobile Service.
25. In the event of a substantial increase in the amount of Your monthly use of the JOi Mobile Service, including exceeding the maximum limit consumed out of bundle from Your chosen plan as addressed in the [Acceptable Usage Policy](#), We may, following advance notification and warning to You, suspend Your JOi Mobile Service. You will be able to resume use of Your JOi Mobile Service once the outstanding amounts are paid and processed and Your Service is reactivated. There may be a delay between when payment is received and when Your Service is reactivated.

26. If You use the JOi Mobile Service from a country outside the UK and the European Union, Your use of the JOi Mobile Service may be subject to laws and regulations that apply in that other country. ACN is not liable for Your failure to comply with those laws or regulations.
27. Our [Acceptable Usage Policy](#) provides more detail about the rules for use of Your JOi Mobile Service in order to ensure that Your use is not excessive and to combat fraud.

Internet Security Measures

28. ACN and ACN Business Partners do not exercise control over the websites, e-mails, audiovisual programs, or any data available or stored, exchanged or accessed by using the JOi Mobile Service. We recommend You install security software to protect yourself against common risks associated with the Internet. We also urge You to take all necessary measures to ensure safety precautions are in place to filter undesired and inappropriate content, including blocking Age Restricted Services. Please, visit the Customer Portal for more information.

ACN's Obligations

29. ACN will supply the JOi Mobile Service to You within 30 days from the Order Date. You have the right to request a refund and/or to terminate this Agreement if ACN fails to deliver the JOi Mobile Service to You within 30 days due to Our error. You lose Your right to a refund and/or to a termination of this Agreement if You have requested a later delivery date or if You have not made a written request to ACN following the 30 days requesting delivery and ACN fails to deliver the JOi Mobile Service within a reasonable time following this request.
30. ACN will use reasonable skill and care to provide continuous, high-quality service to You and shall correct faults related to the JOi Mobile Service within a reasonable amount of time. The JOi Mobile Service is only available within Our coverage area. Within this, there may be areas where You do not have access to all services or where coverage is otherwise limited or unavailable. When You are in areas not covered by our network, the services rely on other operators' networks where We have no control. Please, refer to the coverage information on Our website for more details.
31. The nature of the mobile network may cause disruption or downtime points depending on the number of users at a given time. Due to high network traffic or other factors outside of ACN's control, there may be situations where the JOi Mobile Service is not continuously available or the service quality is affected. For instance: (1) when ACN or ACN Business Partners need to perform upgrading, maintenance or other work on the network or the JOi Mobile Services; (2) when You are in an area not covered by Our network or move outside Our coverage area; and (3) due to other factors outside of Our control, such as features or functionality of Your handset, regulatory requirements, lack of capacity, interruptions to services from other suppliers, faults in other communication networks, the weather or radio interference caused by hills, tunnels or other physical obstructions. These actions may temporarily disrupt Your use of the JOi Mobile Service and We are not responsible for interruption or decreased quality of service as a result of these actions.
32. ACN and ACN Business Partners are not responsible for any use of or reliance on the JOi Mobile Service or its content or for any disruptions to or any failures or delays of the JOi Mobile Service.

This includes, without limitation, any alert or virus detection services. ACN and ACN Business Partners do not make any representations as to the accuracy, comprehensiveness, completeness, quality, currency, error-free nature, compatibility, security or fitness for a purpose of the JOi Mobile Service or its content.

33. Events beyond Our control, such as network failures or congestion by other communication providers or due to the use of non-standardized equipment by You, power outages, severe weather, governmental or labor actions, and acts of God, may sometimes prevent Us from providing the JOi Mobile Service, including the ability to make calls to emergency services, or may affect the service quality. These are called “**Force Majeure Events**” as definite by applicable legislation. In these cases, ACN is not liable for any failure or defect and You will remain responsible for payment for the usage of Your JOi Mobile Service unless You terminate Your JOi Mobile Service in accordance with this Agreement. ACN may make changes to the communications network or the JOi Mobile Service without prior notice to You in order to ensure the proper functioning of the JOi Mobile Service or if required by a governmental body or other third party.

Number Porting

34. If You are choosing a Mobile Offer, You can move Your existing phone number to ACN. You will not be able to move Your number to ACN if You are choosing Tablet offer; in this case You will need to ask for a new number to be assigned to You. To move Your number, first, You need to ask Your previous mobile network operator for Your porting authorization code (“**PAC**”) and then You will need to give Your PAC to Us by submitting a request for porting on the Customer Portal. Once We have verified the details of Your porting request, We will tell You the date when Your phone number will be moved to ACN. If the move is delayed and the delay is Our fault, You may be entitled to a proportionate refund of Your monthly fees, starting from the first day of delay.
35. Calling features and ancillary services provided by Your previous operator – such as call barring, billing control arrangements and monitoring of billing fluctuations - will not automatically apply to this Agreement. Please, visit the Customer Portal to find information on what features are offered for the JOi Mobile Service.

Charges and Payment

36. You agree to pay all Charges for Your JOi Mobile Service whether You or someone else uses Your JOi Mobile Service or the SIM card. You are responsible for unauthorized and fraudulent use unless You give notice to ACN in accordance with Clause 17. You are responsible for all calls to special, premium and/or international numbers unless You give notice to ACN in accordance with Clause 17.
37. ACN will invoice You for the Charges in accordance with the current [Price Guide](#). All Charges include Value Added Tax (“**VAT**”). VAT shall be separately set out as part of the Charges on the invoice. Each year Your monthly subscription Charges will be subject to an annual adjustment by the Retail Price Index (RPI) rate¹, (which could be an increase or a decrease) and be announced in the February preceding the RPI change, and the adjusted amount will appear on your April invoice.

¹ <https://www.ons.gov.uk/economy/inflationandpriceindices>.

38. Your chosen Offer includes a certain allowance for voice, SMS and data usage which are included in Your subscription fee which We normally bill monthly in advance. You will be notified by SMS for the first time when You have used around 80% of Your data allowance, as described in Your chosen Offer. If you reach 100% of Your data allowance limit, Your data usage following advance notification and warning to You, will be blocked. You will be able to resume use of Your JOi Mobile Service by opting in for additional out of bundle JOi Mobile Service allowances via Customer Portal or by contacting Customer Service. If You go over Your allowance, You will be charged for an out-of-bundle usage for voice, SMS and data in accordance with the current [Price Guide](#) in arrears. Usage-based Charges will usually appear on Your next invoice but they may also appear on a later invoice to the extent permitted by law. We may issue corrected invoices for prior months. We may bill You more often than monthly if, for example, Your usage exceeds the amounts provided for in Your plan by a significant amount.
39. In accordance with Clause 38, You agree to be charged for an out-of-bundle data allowance in 250MB or 1GB intervals depending on the Offer You have chosen, charged in accordance with the current [Price Guide](#), until a total out-of-bundle usage of 2.5GB or 5GB respectively. Any data usage above this limit will be charged per MB in accordance with the rate established in the current [Price Guide](#).
40. You agree to receive electronic invoices for Your JOi Mobile Service. ACN will send an e-mail to the e-mail address that You provide to ACN advising You that Your invoice is available on the Customer Portal. You can request standard or itemized invoices. Standard invoices summarize Your telephone usage while itemized invoices also provide details of the telephone numbers that You call and may mask the last 4 digits. All invoices are available on the Customer Portal for 12 months from the date of issue and are accessible 24 hours a day, 7 days a week in an electronic format. You may have to pay a Charge in accordance with the [Price Guide](#) if You request a paper invoice or if You request a copy of an invoice.
41. You must advise Us 14 days in advance if Your billing or e-mail address change. You can change Your information using the Customer Portal or by contacting Customer Service. You are responsible for invoices sent to Your prior billing or e-mail address if You do not inform Us of a change. ACN is not responsible if an invoice or e-mail is not delivered for reasons outside Our control.
42. You are responsible for ensuring that Your payment details (e.g. credit or debit card or direct debit details) are kept up to date. In the event Your payment details change, You update the information via the Customer Portal or You should contact Customer Service.
43. At the time of subscription, You must submit Your credit or debit card details for upfront payment and also submit Your direct debit details for recurring payments. You authorize ACN to charge Your credit or debit card at the time of subscription and for recurring payments until Your Direct Debit Mandate has been successfully set up. Once Your Direct Debit Mandate is processed successfully, You authorize ACN to automatically debit your bank account for recurring payments.
44. In the event a direct debit payment is later rejected, ACN will be entitled to charge the full outstanding amount to Your credit or debit card, whichever You provided at the time of subscription or whichever is currently on file with ACN.

45. If a direct debit payment has been rejected or cancelled previously due to incorrect or outdated details that You have submitted and if You fail to provide the correct details to ACN within 5 days of ACN's request to do so, You authorize ACN to charge Your credit card for all future payments under these [Standard Mobile Terms and Conditions](#) until Your Direct Debit Mandate is successfully set up once again.
46. You will be subject to a Charge in accordance with the [Price Guide](#) if Your direct debit, credit card or debit card payment is rejected or cancelled. You may also be subject to suspension or termination for non-payment as set out in Clause 70. Further, ACN will also recover from You any costs, fees and expenses We incur as a result of a failed payment.
47. You agree to pay all Charges by the due date indicated on the invoice. Unless stated otherwise, the due date is 5 days after You receive Your monthly invoice regardless of the chosen payment method. If You pay after the due date, You will be subject to a Charge in accordance with the [Price Guide](#) to compensate ACN for Your breach of this Agreement. Alternatively, ACN may charge You interest on any overdue amount at the maximum rate permitted by law. ACN will also recover from You any costs, fees and expenses We incur to recover unpaid or past due Charges, including fees of debt collection agencies, filing and court costs, and attorneys' fees.
48. You further agree to reimburse ACN in respect of all losses, damages, liabilities, costs, and expenses that ACN may incur if You breach of Your obligations under this Agreement.
49. If You believe that any Charges are incorrect, You may dispute them in writing by contacting Customer Service. You must pay any Charges that are not disputed. We will not suspend or terminate Your JOi Mobile Service while We investigate a bona fide dispute.
50. If You are entitled to a refund of any Charges, the refund will first be used to pay any outstanding Charges and then will be credited to Your Account. If You are no longer a Customer, ACN will transfer any refund to Your designated bank account.

You acknowledge that the provision of Your Personal Data for these purposes is essential for ACN's performance of its obligations under this Agreement. We may search the files of credit reference agencies before accepting Your order and during the term of this Agreement and they may keep a record of that search. We can also carry out identity and antifraud checks with fraud prevention agencies, including fraud prevention agencies from other countries. If You would like the details of the credit reference or fraud prevention agencies which receive information about You from ACN, please, contact Customer Service. If You give Us false or inaccurate information and We identify or suspect fraud, We will record this in accordance with our internal policies and/or industry standards. Details of how You conduct Your Account may also be disclosed to law enforcement agencies and other communications companies as permitted by law.
56. You agree that Your telephone number may be displayed to people that You call. You must advise ACN if You do not want Your telephone number displayed. ACN will use reasonable efforts to comply with Your request. ACN may always disclose Your name, address and telephone number to emergency services agencies or as required by law.
57. You agree that ACN may monitor, record and archive telephone calls and written communications (including e-mail) between You and ACN for training, service quality, marketing and legal and regulatory purposes.

80. To exercise Your right of withdrawal, You must either send a completed Model Withdrawal Form, which is available on the Customer Portal, or other written communication to ACN.
